Presidents Message

I am disappointed in the response from our membership to pay their dues on time, support our functions and help on clean-up days. All these things help to ensure our existence. The membership dues basically pay for the MUCC magazine subscription and the monthly Newsletters to keep everyone informed of the happenings at Huron Pointe. Some of our members host a breakfast, dinners, trap and archery leagues that the majority of our members do not attend or help out at. All these things contribute to our success or failure as an organization. We need your support in order to maintain the many shooting opportunities available at HPSA. There are a number of members devoting their time and talents to create a Sporting Clays course and provide another source of revenue and a new shooting activity for all our members. We have a great organization here and I am again asking for your support to help us keep HPSA alive and well by volunteering your time, attending our functions and taking pride in your organization.

See you at the
Club, Joe Burke
H.P.S.A. President

Attention Members

We are currently looking to assemble teams of members who would like to donate their time to get the Sporting Clays course up and running. This is a great way for the newer members to get some of their time in. The plan is to start at 4 days a week, 2 during the week and both days on the weekend. The teams would be responsible to open the course, collect the money and fill the traps when needed. All members will be educated on how to operate and fill the machines. Please call J.J. for more info @ 1-586-201-8218.

HPSA Needs Range Safety Officers

All interested members should sign up on the list posted on the board at the club.
