President's Message

I was having a difficult time coming up with my article this month, until I was leaving the Club on Tuesday and saw the 4-H group shooting Trap and having a great time. It made me feel good and think how proud I am of the dedicated members that give of their time, money and talent to expose so many young people to the shooting sports.

We all should be very proud and grateful to these members. I don't have enough room here to list all of them and I run the risk of not listing all. So, I list the programs that we offer: our *Youth Archery Program* with 160 participants, the *4-H Program* with 20 or more young people learning all the shooting sports, the newly formed *Scholastic Trap Program* has 18 youth members and don't forget the *Hunter Education Programs* that are attended by at least 60 (twice a year) would be young hunters. Over 300 children have a place and interested adults to teach them not only shooting skills but lessons that will make them better adults and hopefully instill in them the desire to teach others what they have learned.

This is just one of the many positive aspects of Huron Pointe Sportsmen's Association. The members that are involved in these activities don't complain they just give of themselves and stay focused on helping others. I certainly appreciate their efforts, I hope you do as well.

See you at the Club,
 Joe Burke
 H.P.S.A. President
