Burke Blog

Our annual Clean-up went well, thanks to a good number of members that came out and spruced our grounds up.

All members and guests are required to update their Hold Harmless agreement using our new "QR" code from your cell phones or the kiosk at the Front Desk. In this newsletter we have provided the instructions and the "QR" code that you can scan with your cell phone or IPAD to complete the process from your home. When

you want to shoot at H.P.S.A, you will be required to show the Front Desk personnel your check-in status.

Check the calendars on our WEB page or in this newsletter for upcoming Leagues, Summer Sporting League on Wednesday evening, open shooters are welcome.

We still need more volunteers to run the Front Desk and to supervise

our Trappers on Saturday mornings. Please contact me on 586-718-6775, for more information.

Hold Harmless Registration and Check-In Procedure

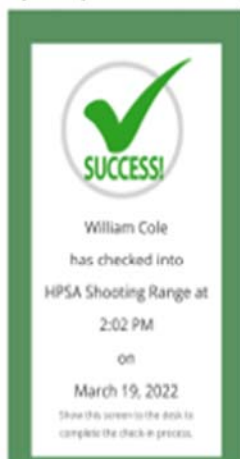

Hold Harmless registration and check-in can take place using a smart phone or the kiosk at the front desk. The preferable method is to use a smart phone. A kiosk is available for those who do not have a smart phone.

Hold Harmless Registration and Check-In using Smart Phone

1. Open the Camera app on your phone.
2. Point your camera at the QR code displayed at the Front Desk.

3. Tap the link when prompted.
4. You will be directed to the Range Check-In where you enter your phone number.
5. If there is a Hold Harmless form registered for that phone number, click the Check-In button to begin the Check-In process in Step 8 below.
6. If there is no Hold Harmless form registered for that phone number, you will first be asked to "Complete Hold Harmless Form."
7. Once you have entered the required information to associate your phone number with a registered Hold Harmless form, you can click the Check-In button to begin the Check-In process.
8. You will receive a text message on your phone containing a link to confirm your request to Check-In at Huron Pointe. Tap the link to confirm and you will receive the success message on your phone which you will present to the Front Desk attendant to finish the Check-In process.

9. At this point you are registered and checked-in. When visiting the club in the future you can follow steps 1 through 5 and step 8 using your smart phone to Check-In.

The Youth Shotgun Program

High School Clay Target League:

We had 14 shooters from Anchor Bay and 9 shooters from L'Anse Creuse-North shoot the State Shoot. Many of these shooters had personal best and a few struggled.

Conference Awards were given out and we had a few takers:

L'Anse Creuse-North was 1st in conference 3.

Shooters: Mitchell Wagner placed 1st with an average of 24.1

Justin Doetsch took 2nd with an average of 23.6

Anchor Bay finished just out of awards for team in conference 5: but, we did have a few bring home medal.

Shooters : Daniel Champine placed 1st with an average of 22.7

Emma Harm placed ladies 1st with an average 20.7

Megan Schmidt placed 3rd with an average of 18.7

AIM-ATA:

Our AIM shooters are shooting the Michigan-AIM State Shoot on July 2nd & 3rd at the Michigan Trapshooting Home Grounds in Mason and preparing for the AIM Grand Nationals in Sparta, Illinois on July 30th—August 2nd. They've been working hard and should do well.

Waiver Shooters:

Because of all of your help we are able to keep our beginner & non-competitive shooters shooting. They are still working hard and improving
