Projects will be handed out for the day
Make sure you bring tools, water and lunch
will be provided. Get your required hours in

Burke Blog

The WGD was very successful again this year. I received a lot of positive comments from our guests and members. Don Gallagher and Mark Lietke really make this event unique from other banquets with their fabulous cooking. I want to thank all the members that helped on this year's event. Profits will be used

to make improvements and maintenance to our facilities.

Membership dues are payable on May 1st. and the grace period ends May 14th. at the GMM. The Club's annual clean-up day is scheduled for May 18th., 8:00am start, all ranges will be closed and all members are

expected to help. This is a good opportunity for members to get some work hours completed. Please bring shovels, rakes, gloves, and weed whips, etc....

See you at the club"

Range Schedule

Youth Shotgun Program:

As May and June come into focus the kids are very busy competing and getting ready for State and Nationals.

High Schools Clay Target League:

According to the Michigan Clay Target official announcement the League has 72 High Schools and 1520 enrolled shooters. They have divided the shooters into 10 Conferences. Anchor Bay with 24 members is in Conference 5 and L'Anse Cruese -North with 12 members is in conference 3.

True competition started the last week in April and will continue through the end of May.

The State Shoot to be held on June 15th at the Michigan Trapshooting Home Grounds in Mason, Michigan. Most of our shooters are improving at a very good pace, but, as always some are struggling a little but they are having fun and want to continue.

AIM: Our AIM shooters will have completed their first ATA competition on April 28th at Birmingham Gun Club, by the time you read this , and be looking forward to the Spring Team shoot at Mason. May and June will be very busy for these shooters, we hope to continue to improve and score well at the AIM State Shoot in July.

Wavier Shooters: These youngsters are our future. These shooters are our non-competitive shooters. They are learning what Trap is all about and just shooting for fun. The smiles that come as they feel more confident is awesome to watch. They come in shy and reserved and then all of a sudden they hit a few targets and they can't wait to tell someone how well they did with a big grin on there faces. We are still accepting new shooters to the program. For more information please contact Vaughn or Jean Van Camp at 810-364-6321 or email jvcamp01@att.net
