Burke Blog

It's the end of 2016 already and hunting seasons are in full swing. There are plenty of events scheduled at our Club in the fall and winter months. Our shooting activities tend to slow down in November except for the Rifle Range that will be open

every day, except Thursdays, from November 1st through the 14th. Winter Trap League begins on December 4th and all Archery Leagues begin the week following New Year's day. Our Third Annual Pheasant Hunt is planned for January 28 2017. We have already begun planning for our annual Wild Game

dinner March 25, 2017 and tickets will be available Dec. 13th GMM meeting. Elections for the Board of Directors will be held at the Dec. GMM Meeting. Hope to see everyone at our Annual Christmas Dinner/Party on December 10th. **"See you at the Club"**

Joey Maniaci update

It was nine months ago Joey was put on life support. He has come along way in that time. He is back at school and doing very well. Going back to school has proved to be the best thing he could have done. Last Sunday when Joni and I dropped him off at school he was using a walker to walk. He also has a scooter to get around campus. Well that Wednesday we had to drive back up and see him and he walked out the back door with a cane. Today he and his mother left for the Mayo Clinic to get a second opinion on the legs. He still doesn't have any feeling in the right leg from the middle of the calf down. Thank you again for everything you have done for Joey Philip Maniaci
