

June 2020

I hope you and your family have been well and not affected by the virus.

Our club is open as of May 23, 2020. We have resumed our normal days and hours thanks to many of our dedicated volunteers. Some of our volunteers have choose to wait a while longer before returning and that is fine, every one of us need to do what we think is best for ourselves and our family. If you feel comfortable helping out please let me know. We have instituted a number of changes to our facilities to follow recommended social distancing practices and have plenty of sanitizer, latex gloves and medical masks on hand to protect our members and guests.

The skeet league and open shooting resumed this past week and youth shotgun will start up on June 1st. The 3-D archery course will be set up soon as well. I am sure if you come out to enjoy your clubs shooting sports that you will feel safe in our new environment. We have canceled the membership meeting scheduled in June and July with hopes that by August we can get back to socializing in larger groups.

Our Wild Game Dinner has been rescheduled to September 19, 2020 with hopes that we can once again have a gathering of 300 individuals. All dinner and raffle tickets will be good for whenever we can have this event.

The deadline for payment of your Membership dues has been extended to June 20th. We also understand that some members may have other financial obligations that take priority, if so contact our Membership Director, Al Hunt at 586-709-5794, to discuss payment options. We certainly don't want to lose members that enjoy the shooting activities at Huron Pointe.

Please check our club web site to get the latest information on days open or closed and future events.

We will also keep you informed via our "One-Call-Now" messages system.

"See you at the Club"

Joe Burke

H.P.S.A. President
