

**May 2020**

I hope you and your family have been healthy and together in these trying times.

Spring is usually a very busy time at our club. Unfortunately we are currently closed due to the virus across the United States. I wanted to provide everyone an update of our situation.

We have been closed since March 18<sup>th</sup> per the Governor's order and will continue until the restrictions have been lifted. Many of the leagues and functions that were scheduled for March and April have been canceled and we plan on rescheduling our Wild Game Dinner to possibly September.

Membership dues usually are payable by May 1<sup>st</sup>, we have extended the deadline to June 20<sup>th</sup>. We also understand that some members may have other financial obligations that take priority, if so contact our Membership Director, Al Hunt at 586-709-5794, to discuss payment options. We certainly don't want to lose members that enjoy the shooting activities at Huron Pointe. We still have monthly bills to pay while we are closed.

We will do our best to keep everyone informed on your club's status. We will keep our web site up to date and send "One-Call-Now" messages to you as well. We need your contact information, cell phone number and email address in order to provide the latest information to you.

"See you at the Club"
