

November/December 2020

Fortunately our club is open for our normal days and hours and we are following the recommended social distancing practices and have plenty of hand sanitizer available for our members and guests. All members and guest should wear Face masks as recommended as well.

I figured we would have returned to our normal activities by now, but we have not and these restrictions are going to continue at least through the end of 2020 and into 2021.

That being said all future GMM meetings have been canceled for 2020 until capacity restrictions are rescinded. The Board of Directors will continue having monthly meetings via Zoom video chat.

We have not scheduled any indoor adult nor youth archery leagues because of the virus capacity restrictions as well.

We are planning on running the Winter Trap League beginning on December 6th, capacity will be limited in the clubhouse and masks will be required. Contact Joe Kulka on 313-969- 1447 or at jayfour23@gmail.com to reserve your teams shooting time.

Our 2021 Wild Game Dinner date has not been determined yet, but we do hope to schedule and honor all 2020's tickets

The winner of our WGD Four Gun Grand Prize, drawn on September 19, 2020, was Vaughn VanCamp, coach of our Youth Shotgun program.

Please check our club web site to get the latest information on days open or closed and future events.

We will also keep you informed via our "One-Call-Now" messages system and updates on our web site.

"See you at the Club"

Joe Burke
