Our next GMM will be held on September 8, it will be outdoors or in the archery barn depending on the weather, dinner will be at 6:00pm.

The Board Directors continues having our monthly meetings via Zoom video chat. We will draw the winner for our WGD Four Gun Grand Prize on September 19, 2020 at 8:00pm. Mark Lietke and Don Gallagher will cook up some Wild Game for everyone. All WGD dinner tickets will be good for our 2021 WGD. If you are unable to attend the 2021 WGD, you can receive a refund by returning your tickets in to Joe Burke, 586-718-6775.

Youth Shotgun Program:

The kids are still practicing and our college kids are heading back to school. They will be missed and much thought about till spring.

AIM:

Our shooters finished the 2020 competition year (what there was to it due to Covid-19) as best they could. We did not have a State nor did we go to the AIM Grand National's this year. Maybe next year won't be such a disappointment. The 2021 season starts for these youngsters as of September 1st. and we have 2 shoots in September and two shoots in October.

High School League Shooters:

We are in quiet time; many of the kids are still practicing and honing their skills. We are also accepting new shooters for the Spring League. As of now we will have both Anchor Bay and L'Anse Creuse North competing in the Spring.

Waiver Shooters:

(Beginning and non-competing) These kids are working very hard to improve. Many have been going to the range and hitting targets at a pretty strong pace. They are smiling when they come off the field and when asked, "How'd ya do?" the smile gets bigger.

We are still accepting new shooters and will continue to shoot through the last Monday in October. For more info please contact Vaughn or Jean Van Camp at 810-364-6321 or jvcamp01att.net.

Archery:

Bow season is just one month away! The 3-D course is open and available, so come on out and practice to get ready for the opener.

Rifle Range Update

First of all, let me thank all the Range Safety Officers (including those in training) for keeping the range safe for all those that use it. We seem to be busier than ever with more and more people coming out to enjoy our range. The most important thing we do is keep it safe. That coupled with creating an environment where our members and guests can have fun and learn, make it especially rewarding.
